From January 1st 1998 a new law is valid within United States of America.

The purpose is to establish the first phase of regulations to control emissions from new nonroad spark-ignition engines at or below 19 kilo watts (25 hp).
The authority controlling these regulations is:

Environmental Protection Agency (EPA)

This Jonsered Chain saw is with mentioned serial number equipped with parts to fulfill above mentioned standard.

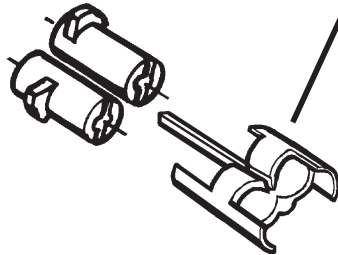

All items mentioned below must be used on saws with serial number later than listed. All other items can be used from regular Spare Parts list.
