WIRING SCHEMATIC

RAISE & LOWER ELECTRIC SCHEMATIC

Target's Gold Medal Equipment Warranty

New equipment sold by Target is warranted to be free from manufacturing defects in normal service for a period of two (2) years from date of purchase by the original consumer purchaser.

Component manufacturers offer separate warranty periods. Call Technical Services at 800-288-5040 for complete information.

Our obligation under this warranty is expressly limited to the replacement or repair at Electrolux Construction Products North America, Olathe, Kansas 66061, or at a service facility designated by us, of such part or parts as inspection shall disclose to have been defective.

This warranty does not apply to defects caused by damage, unreasonable use, faulty repairs made by others (or defects caused by failure to provide reasonable maintenance, while in the possession of the consumer.) Further, the warranty is void if the product, or any of its components, are altered or modified by the consumer purchaser, or if the product is used in an inappropriate manner or with a blade not recommended by the manufacturer.

Please record the Date of Purchase and the Serial Number, the Model Number of the equipment and the Date of Purchase of your equipment in the space below. When ordering service items, please have this information available.

**DUST WARNING**

Cutting, especially when DRY cutting, generates dust that comes from the material being cut, which frequently contains silica. Silica is a basic component of sand, quartz, brick clay, granite and numerous other minerals and rocks. Exposure to excessive amount of such dust can cause:

- Respiratory diseases (affecting your ability to breath), including chronic bronchitis, silicosis and pulmonary fibrosis from exposure to silica. These diseases may be fatal;
- Skin irritation and rash; and
- Cancer according to NTP* and IARC*
* National Toxicology Program / International Agency for Research on Cancer

Take precautionary steps

- Avoid inhalation of and skin contact with dust, mist and fumes;
- Wet cut when feasible, to minimize dust;
- Wear and ensure that all bystanders wear appropriate respiratory protection such as dust masks designed to filter out microscopic particles. (See OSHA 29 CFR Part 1910.1200)

California Prop 65 Warning:

Use of this product can cause exposure to materials known to the State of California to cause cancer and/or birth defects or other reproductive harm.
