This exploded view diagram illustrates the assembly of a mechanical component, likely a valve or actuator. The parts are numbered 1 through 38. The assembly is symmetrical, with two main arms (12 and 16) extending from a central body (7). The arms are connected to a lever (11) and a handle (18) via a linkage mechanism (13, 14, 15). The handle is secured by a pin (19) and a nut (20). The lever is secured by a pin (19) and a nut (20). The central body is secured by a pin (19) and a nut (20). The diagram shows the following parts:
