

SB: **Wall mounted hose box rollup 35Li**

Article : 8025

Reason: Modification of the battery

1. With index “E619” (cw 19/2016) a new rubber button and a new designed label have been implemented to improve the resistance against water.

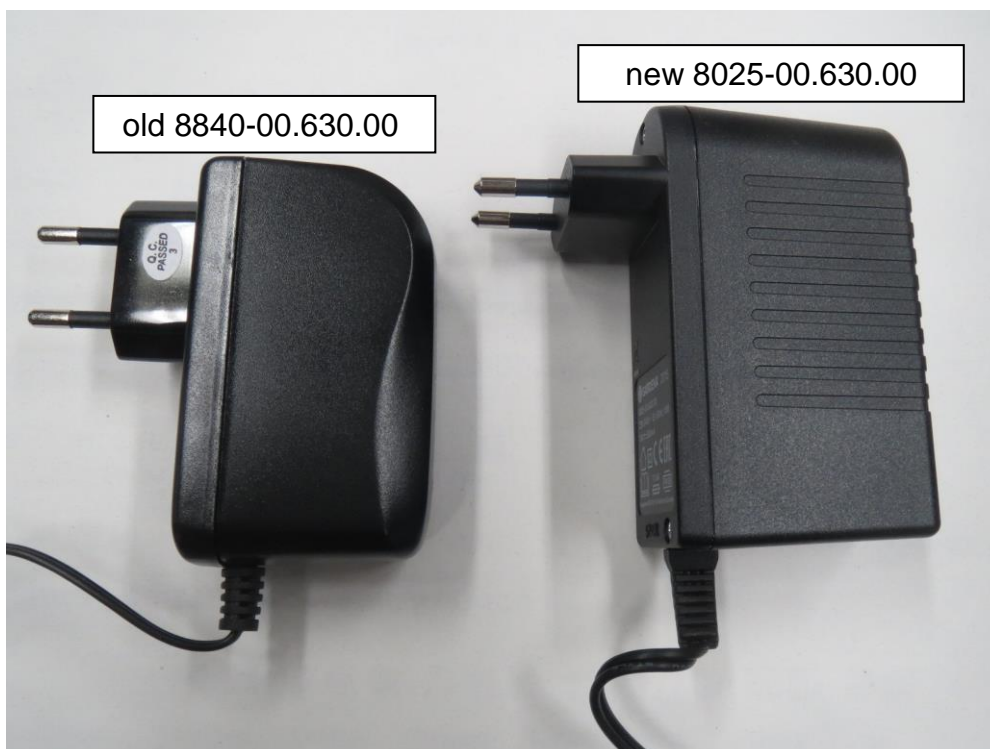

old

new

2. With index “J” new battery cells with higher capacity (2,2 Ah instead of 1,6 Ah) will be implemented for 2017. These batteries with higher capacity may only be charged with a new charger (part. no. 8025-00.630.00), don't use the old one with part. no. 8840.00.630.00 !

<u>New spare parts :</u>	charger	8025-00.630.00
	battery 18V/ 2,2Ah	8025-00.900.07
