Description

A new version of mower software has been released for the affected models (see above).

This includes the following changes:

- Charging current supervision
 - o Check if charging current is as expected. If this is not the case, the mower will dock again (up to 8 times). If still not as expected, the mower will show error 30 (charging system error).
- All models have Sensor Control.
- Support for ZoneProtect.
- Support for new security code handling at los PIN code (256byte).
- Bug fixes.

It is strongly recommended to update the mowers at next service!
