SILENO mínimo 400	All
SILENO mínimo 450	All
SILENO mínimo 500	All
SILENO mínimo 600	All

Affected markets

All.

Description

A new version of mower software will be released for the affected models (see above).

The software will be released together with new release version 1.2 of customer upgrade tool (planned in 12/2021).

This includes the following changes:

- Charging current supervision
 - o Check if charging current is as expected. If this is not the case, the mower will dock again (up to 8 times). If still not as expected, the mower will show error 30 (charging system error).
- Start-on-start
 - o Mower starts mowing when pressing “start button” twice, even if battery is not fully charged.
- Support for ZoneProtect.
- Support for new security code handling at los PIN code (256byte).
- Bug fixes.

It is strongly recommended to update the mowers at next service!

Action required Information only **Warranty reporting information**

Nothing in this SB can be subject to warranty claims. Warranty claims will not be accepted.
